

Terms & Conditions

Last Updated: 15 September 2026

Welcome to **ANTELLAY OS**, a future technology initiative by **ANTELLAY Labs**. ANTELLAY OS is being developed as an operating system and intelligence layer for autonomous technologies across **land, air, sea, space and robotics**.

1. Project Status

ANTELLAY OS is currently in the **concept, research and development stage**. The information available on this website describes our vision, planned architecture, research and future capabilities. No specific product, service or technology shown on the website is guaranteed to be commercially available.

2. Website Information

All information on this website is provided for **general informational and exploratory purposes**. Features, technologies, timelines, partnerships and future capabilities may change without prior notice.

3. No Guarantee

ANTELLAY Labs does not guarantee that any proposed feature, system, product, integration or technology described on this website will be developed, launched or made commercially available.

4. Intellectual Property

All website content, branding, logos, designs, concepts, text, graphics and intellectual property related to ANTELLAY OS are owned by or licensed to **ANTELLAY Labs / Celebso Group**, unless otherwise stated. They may not be copied, reproduced or commercially used without prior written permission.

5. Third-Party Data & Technologies

Future versions of ANTELLAY OS may interact with third-party data sources, APIs, devices, satellites, sensors or technology platforms. ANTELLAY Labs is not responsible for the availability, accuracy or performance of third-party systems.

6. Future Technology Disclaimer

ANTELLAY OS involves emerging technologies including AI, automation, robotics, data systems and autonomous technologies. Actual performance may vary depending on technology, data, infrastructure and operating conditions.

7. Website Use

You agree not to misuse the website, attempt unauthorized access, interfere with its operation, or use its content for unlawful purposes.

8. Changes

ANTELLAY Labs may update these Terms & Conditions and the ANTELLAY OS website as the project develops.
